Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The references cited on attached form PTO/SB/08A and PTO/SB/08B are being called to the attention of the Examiner. In accordance with the USPTO's decision to waive the requirement under 37 CFR 1.98 (a)(2)(i) for U.S. patents and published patent applications for all U.S. national patent applications filed after June 30, 2003, applicant has not submitted copies of references AA-EF. Copies of references EI, EQ, EX, FB, FC, FG-FJ, FQ, FT-FV, GA-GD, GG, GI, GK and GL are enclosed. In accordance with 37 CFR §1.98(d), copies of the remaining references can be found in Application No. 09/591,874, filed June 20, 2000 (Attorney Docket No. 016355-002420US).

It is respectfully requested that the all references cited on the attached PTO/SB/08B be expressly considered during the prosecution of this application, be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
